

## David B. Mitchell

Kennesaw State University  
520 Parliament Garden Way, #4104  
Kennesaw, GA 30144 USA

August 2017

Phone: 470-578-2093  
FAX: 470-578-9072  
dmitch37@kennesaw.edu

### PERSONAL

Born in Fort Worth, Texas  
Married, with children and grandchildren

### Home Address

1079 Burton Drive  
Atlanta, GA 30329

### EDUCATION

Ph.D. 1982 **University of Minnesota**, Minneapolis, Minnesota  
Field: Developmental Psychology (Institute of Child Development)  
M.A. 1978 **Wake Forest University**, Winston-Salem, North Carolina  
Field: Experimental Psychology  
B.A. 1976 **Furman University**, Greenville, South Carolina  
Major: Psychology  
H.S. 1970 Escola Americana do Recife, Brasil

### PROFESSIONAL EXPERIENCE

2014-present Associate Dean, WellStar College, Kennesaw State University  
2004-present Professor, Distinguished Scholar in Gerontology, Kennesaw State University  
2015 Visiting Professor, Bar-Ilan University, Ramat-Gan, Israel  
2013 Visiting Professor, The Hebrew University of Jerusalem, Israel  
2011 Visiting Scientist, School of Psychology, Georgia Institute of Technology  
1998-2004 Founding Director, Loyola University Chicago Center for Aging Studies  
1996-2004 Associate Professor, Department of Psychology, Loyola University Chicago  
2000-2001 Graduate Program Director, Developmental Psychology, Loyola University  
1996-1997 Lecturer, Department of Psychology, Lake Forest College  
1989-1996 Associate Professor, Department of Psychology, Southern Methodist University  
1994-1995 Visiting Associate Professor, Department of Psychology, Hebrew University  
1983-1989 Assistant Professor, Department of Psychology, Southern Methodist University  
1982-1983 Postdoctoral Fellow, Center for the Study of Aging and Human  
Development, Duke University Medical Center  
1981-1982 Predoctoral Fellow, Center for Research in Human Learning,  
University of Minnesota  
1981-1982 Lecturer, Psychology Department, Macalester College  
1980-1981 Instructor, Institute of Child Development, University of Minnesota  
1977-1978 Visiting Instructor, Psychology Department, Wake Forest University

### AWARDS, SCHOLARSHIPS, and FELLOWSHIPS

2014-2015 Fulbright Senior Scholar Fellowship  
2012 Distinguished Teaching Award, WellStar College of Health and Human Services  
2011 Tenured Faculty Sabbatical Award, Kennesaw State University  
2010 Distinguished Research and Creative Activity Award, Kennesaw State University  
2008 Distinguished Scholarship Award, WellStar College of Health & Human Services  
2008 Outstanding Instructor of the Year, KSU Continuing Education  
2007 Kennesaw State University Foundation Prize for Scholarship

David B. Mitchell

- 2004 Great Dissertations, *APS Observer* (1 of 39, 1898-1996; 323 citations as of 2017)  
2004 Master Teacher, College of Arts and Sciences, Loyola University Chicago  
2003 CYCLE (Community Youth Creative Learning Experience) WIZ Kids Award,  
Fostering Equity and Justice for Children through Research, Chicago  
2003 Master Teacher Award, College of Arts and Sciences, Loyola University Chicago  
1999 One of Three Most Effective Teachers, Loyola University Chicago  
1986-1987 Research Fellowship, Southern Methodist University  
1982-1983 NIA Postdoctoral Fellowship, Duke University  
1981-1982 Doctoral Dissertation Fellowship, University of Minnesota  
1980-1981 NIMH National Research Service Award, University of Minnesota  
1978-1980 NIMH Traineeship in Child Psychology, University of Minnesota  
1976-1978 Graduate Assistantship, Wake Forest University  
1975-1976 Gordon W. Allport Scholarship, Furman University  
1975 Brewer-McGuigan Award for Statistics, Furman University

POPULAR PRESS ARTICLES ABOUT MY WORK

- “The Science: How Habit Beats Novelty: The Power of Implicit Memory.” Scott Berinato,  
*Harvard Business Review*, January-February 2017, pp. 60-61.  
"Why Does the Unconscious Have an Elephant's Memory?" Dorit Parnas, *Scientific American*  
*Israel*, August-September, 2015, pp. 22-23.  
“Studies Offer Fresh Clues to Memory.” Daniel Goleman, *The New York Times (Science Times)*,  
27 March 1990, pp. B5-B6.  
“Losing it? Your Memory May be the Good Kind.” Daniel Goleman, *International Herald*  
*Tribune*, 29 March 1990.

TEACHING EXPERIENCE

Undergraduate

- General Psychology, Introductory Psychology  
Developmental Psychology, Laboratory in Developmental Psychology  
Experimental Psychology, Research Methods in Psychology, Statistics  
History of Psychology  
Memory and Cognition, Laboratory in Cognition  
Psychology and Aging, Adulthood and Aging, Maturity and Aging  
Research Methods in Physical Activity  
Physical Activity and Health Promotion for the Older Adult (team-taught)  
Gerontological Nursing (team-taught)

Graduate

- Experimental General Psychology, Research Methods in Psychology  
Human Memory and Aging, Psychology of the Mature Years  
Research Methods in Developmental Psychology  
Research Techniques in Applied Exercise and Health Science

GRANTS

- 2010-2012 Distinguished Research Activity Professional Development Award  
KSU Foundation, \$10,000  
2006-2010 “Forgiveness and Memory across Adulthood”  
Foley Family Foundation, \$25,000

- 2007-2009 Scholarship Prize Professional Development Award  
KSU Foundation, \$10,000
- 1999-2004 "Aging Research Program"  
Foley Family Foundation, \$184,662
- 1998-2000 LUCCAS: Loyola University Chicago Center for Aging Studies  
Initiative to create an Interdisciplinary Aging Center, \$226,475
- 1988-1994 "Normal Aging: Evidence for Multiple Memory Systems"  
National Institute on Aging, NIH, \$199,321
- 1991-1994 "Cognition, Disclosure, and Health" (Co-PI with James Pennebaker  
and David Watson) NSF, \$149,000
- 1987-1988 "Aging and Memory: Evidence for Separate Memory Systems"  
Southern Methodist University Research Council, \$3,000
- 1980-1981 "Retrieval Efficiency across the Lifespan"  
University of Minnesota Doctoral Dissertation Grant, \$941

#### PRESENTATIONS AT SCIENTIFIC CONFERENCES

- Naturalistic Episodic Memory for a Laboratory Experience 10-14 Years Earlier in Adults Aged 18-95. To be presented at the Psychonomic Society, Vancouver, BC, November 2017.
- with E.S. Grossman & Y. Hoffman. Effect of age-priming on subjective age and memory in young and older adults. Nordic Congress of Gerontology, Tampere, Finland, June 2016.
- with E.S. Grossman & Y. Hoffman. Feeling young or old does not coincide with objective age: It includes both subjective age and cognitive abilities. Israel Gerontological Society, Tel Aviv, Israel, February 2016.
- with T.A. Esmat, C.S. Hicks, & J.R. McLester. Move It or Lose It? The Relationship between Physical Fitness and Cognition in Older Adults. Presented at the American College of Sports Medicine, San Diego, CA, May 2015.
- with C.L. Kelly & S.C. Nelson. Invulnerable Implicit Memory? Replication of 17 Years of Priming 10+ Years After. Presented at the meeting of the Psychonomic Society, Long Beach, CA, November 2014.
- with A. Prakash, A. Mostafa, M.J. Morgan, & W.A. Rogers. Understanding the Influence of Memory Challenges on Social and Interpersonal Activities. Presented at the Cognitive Aging Conference, Atlanta, April 2014.
- with T.A. Esmat & J.R. McLester. Move It or Lose It: The Relationship between Executive Function and Fitness and Fatness in Community Dwelling Older Adults. Presented at the American College of Sports Medicine, Indianapolis, May 2013.
- with T.A. Esmat & J.R. McLester. The Relationship between Executive Function, Body Composition, and Strength in Older Adults: Fitness or Fatness? Presented at the Southeast Chapter of the American College of Sports Medicine, Greenville, SC, February 2013.
- with A. Prakash & W.A. Rogers. Toward a Taxonomy of Memory Demands in the Home Environment. Presented at the Cognitive Aging Conference, Atlanta, GA, April 2012.
- Picture Fragment Identification Norms: Ages 18 to 81. Presented at the Association for Psychological Science, Washington D.C., May 2011.
- with S. Lewin. Shortening the MEQ: The Magical Number 7,  $\pm$  6. Presented at the Association for Psychological Science, Boston, May 2010.
- with P.J. Bruss. Factor Analysis of 11 Tasks: Corroboration of Memory Systems *and* Processes. Association for Psychological Science, San Francisco, May, 2009.
- with S.A. Talmage. Positive Mood Congruence for Personality Traits in Explicit but not Implicit Memory. Association for Psychological Science, Chicago, May, 2008.
- with M.S. Dissanayake. Preschooler's Spatial Cognition in Natural 3-D Large Scale Environments. Society for Research in Child Development, Boston, March 2007.
- Why Don't Very Old Adults Show Very Long-term Priming? Cognitive Aging Conference, Atlanta, April 2006.

- Still Priming: Perceptual Implicit Memory after 17 Years. American Psychological Society, Los Angeles, May 2005.
- with C. Romero. Age-Related Differences in Forgiveness of Interpersonal Offenses. American Psychological Association, Honolulu, July 2004.
- with P.J. Bruss. Phenomenological Characteristics of Memory for Events that Never Happened. The Psychonomic Society, Vancouver, November 2003.
- with P.J. Bruss. Associations and Dissociations between Implicit and Explicit Memory Tasks. American Psychological Association, Toronto, August 2003.
- with E. Freeman & P.J. Bruss. Implicit and Explicit False Memory in Young and Older Adults. American Psychological Association, Chicago, August 2002.
- with P.J. Bruss. Implicit Associative Activation Predicts False Recall. Midwestern Psychological Association, Chicago, May 2002.
- with P.J. Bruss. Implicit and Explicit False Memory Phenomena in Younger and Older Adults. Cognitive Aging Conference, Atlanta, April 2002.
- with P.J. Bruss. False Memory Effects in a Variety of Implicit Memory Tasks. The Psychonomic Society, Orlando, November 2001.
- with S.R. Goldman & P.J. Bruss. Self-perception of Circadian Rhythms across Adulthood. Midwestern Psychological Association, Chicago, May 2001.

#### INVITED ADDRESSES

- "Ten Years After" in 10 Minutes. North Georgia Regional Annual Memory Meeting (NGRAMM). Stone Mountain, GA, September 2015.
- Academia in the U.S. United States-Israel Fulbright Pre-Departure Orientation, Tel Aviv, Israel, June 2015.
- Aging and Memory: What's Normal, What's Not. Mercer University, November 2012.
- How to Conduct a Post-hoc Longitudinal Memory Study. Cognitive Aging Research Seminar, Georgia Institute of Technology, January 2011.
- Conscious and Unconscious Memories in Aging, Alzheimer's, and ADHD: Is Timing Everything? Department of Psychology, Kennesaw State University, November 2010.
- Implicit Memory in Aging and Alzheimer's: False Memory and Novelty Puzzles. Cognitive Aging Research Seminar Series, Georgia Institute of Technology, Atlanta, February 2005.
- Unconscious Memories: Invulnerable to Time and Aging? Consortium on Active Retirement and Aging, Kennesaw State University, February 2005.
- Explicit, Implicit, and False Memories: Development, Aging, and Alzheimer's. Marquette University, Milwaukee, March 2004.
- Memories in Aging and Alzheimer's: True Losses and False Gains. Cognitive Neurology and Alzheimer's Disease Center Seminar Series, Northwestern University Medical School, Chicago, October 2002.
- Beyond the Classroom: Hands-on Aging Projects. Symposium: Teaching Innovations in Adult Development (C.A. Berg, Chair). American Psychological Association, Chicago, 2002.
- Some Facts about Aging. Hanna Sacks Bais Yaakov High School, Chicago, May 2001.
- Aging and Memory: What's Normal, What's Not. Psychiatry Grand Rounds, Department of Psychiatry and Behavioral Neurosciences, Loyola University Stritch School of Medicine, September 2000.

- Aging Beyond the Classroom: Service Serves Learning. Spotlight on Community Engagement: Service Learning. Loyola University Chicago, September, 2000.
- Three Memory Systems: Differential Effects of Aging and Alzheimer's Disease. Immunology and Aging Program, Loyola University Medical Center, March 1999.
- Normal Aging: What to Expect. Aging and Elder Care Series, Personal Consultation Services, Loyola University Chicago, January 1999.
- Multiple Memory Systems in Normal Aging and Alzheimer's Disease and a New Initiative: LUCAS. Neuroscience & Aging Institute retreat, Utica, IL, June 1998.
- Aging and Alzheimer's: Remembering, Knowing, and Doing. Northeastern Illinois University, Chicago, IL, March 1998.
- Symposium: Teaching Innovations in Adult Development and Aging. American Psychological Association, Chicago, August 1997.
- Symposium: Implicit Memory and Aging. American Psychological Society, Washington, D.C., May 1997.
- Conscious Recollection and Unconscious Memory. Lake Forest College, Lake Forest, IL, March 1997.
- Implicit and Explicit Memory: Age Differences and Developmental Invariance. Loyola University Chicago, February 1997.
- Memory Systems in Aging and Alzheimer's Disease. The Chicago Medical School, North Chicago, February 1996.
- Too Much Picture Priming. Haifa University, Haifa, Israel, June 1995.
- Developmental Evidence for Memory Systems. Tel Aviv University, Tel Aviv, Israel, March 1995.
