A **current** or **temporary Georgia Nursing License is required** prior to beginning the clinical portion of the Refresher Program. This process takes time and should be started prior to registration of the KSU Refresher Program.

The Georgia Board of Nursing **requires** one of the following:

◆ **REINSTATEMENT** if your **Georgia Nursing License has expired**, you need to **apply again**.

◆ **ENDORSEMENT and verification of licensure** if you have an **out-of-state** nursing license that has **not expired**, you need to **apply for endorsement and verification of licensure** with the Georgia Board of Nursing. This Endorsement process **should** be completed prior to your registration of this course, **but** if you did not, do this right away.

An **out-of-state** nursing license that **has expired** must be reinstated by the issuing state before applying for endorsement.

◆ **ALL FORMS AND APPLICATIONS CAN BE DOWN LOADED** from the Georgia Board of Nursing website at: [http://sos.ga.gov/index.php/licensing/plb/45/contact\\_the\\_georgia\\_board\\_of\\_nursing](http://sos.ga.gov/index.php/licensing/plb/45/contact_the_georgia_board_of_nursing) (visit our website under: GA Board – Licensing)

**I have read** the information **above** and **visited** 'GA Board – Licensing' and reviewed *Licensing Instructions* and/or contacted GA Board of Nursing and **started the application process with them....**
