- Curriculum Development – LPN/BDN Bridge for Appalachian Tech College, Jasper, GA (Fall 2007) - Worked with Drs. David Bennett and Jackie Jones in the development of a career mobility program for Licensed Practical/Vocational Nurse to complete their Bachelor of Science Nursing. This option would provide a new partnership with the School of Nursing on the Appalachian Technical College campus in Jasper, Georgia pending approval and funding. The proposal was presented and approved by both the BDN Curriculum committee and faculty. Developed the LPN/BDN bridge course except for the guidelines for the scholarly paper. This proposed course and curriculum was approved by both the BDN Curriculum committee and faculty.
- Coordinator for the Registered Nurse/Baccalaureate Degree Nursing (RN/BDN) Advanced Placement Program (2006-2008) - Developed and coordinated an all-day session on campus that incorporated an orientation to online learning (IZIO) and use of electronic library resources. This orientation mirrored one developed for the generic BDN students. Worked closely with Fran Herzig in recruitment efforts to attract quality applicants to the program - spent approximately 2-3 hours per week communicating with prospective students via email/phone. Taught courses in that curriculum until 2008. The courses included two solo-taught online courses (NURS 3320, NURS 4403) and a team-taught course (NURS 4418) that required extensive mentoring of students' projects.
- Admission, Progression, and Retention Committee, Member (2007-2008) – met every other week to develop the interview process for prospective students for the BDN program. Specific accomplishments: led the subcommittee that developed the interview tool. The final tool was a modified version of the Navy's tool used to recruit nurse corps officers.

- BDN Curriculum Committee (2002 – 2003) - Volunteered to help on the Curriculum Committee. Committee met approximately every 2-3 weeks throughout the year to work on the CCNE Self Study and the Georgia Board of Nursing visit. Then, served as chair, working on the Assurance of Learning reports for both BDN and PCN departments. The Assurance of Learning was held as the gold standard by the university.
