Social Entrepreneurship at Kennesaw State

This summer, two professors from the Tata Institute of Social Science in India came to Kennesaw State University to hold two one-week-long sessions on Social Entrepreneurship.

A follow up meeting in September brought Sir Jose Bright to campus to discuss his role and belief in entrepreneurship.

**Faculty News**

In addition to her role as Associate Professor, Carol Collard also runs CaringWorks, a small nonprofit organization in the metropolitan area. CaringWorks is the recent recipient of two awards. The first is the Organizational Excellence in Treatment award received from the Georgia School of Addiction Studies which is sponsored by the Georgia Department of Behavioral Health and Development Disabilities. Lastly, the United Way will recognize CaringWorks as one of the area's Housing and Health Innovators during luncheon at their upcoming Housing and Health Innovation Forum on November 3rd.
