RE: Reaffirmation
Kennesaw State University (GA)
Master’s Social Work Program (MSW)
2015 Educational Policy and Accreditation Standards (EPAS)

Dear President Whitten:

At its February 2021 meeting, the Commission on Accreditation (COA) reviewed the self-study, the COA Letter of Instruction, the Site Visit Report, and the program’s response to the report as the Reaffirmation application for the master’s social work program. The COA voted to reaffirm the accreditation of the program for eight (8) years, ending in February 2029.

Congratulations on this achievement.

COA reaffirmation decision types are described in section 2.6 COA Reaffirmation Determination and Decisions in the EPAS Handbook.

The accreditation status obtained at Reaffirmation only covers the components that were reviewed in the self-study at the time of the COA review. Changes may take place within the program prior to its next scheduled accreditation review; however, some program changes impact compliance with EPAS and require reporting to the COA or DOSWA per section 1.2.4 Program Changes in the EPAS Handbook. Accreditation is an elective, program-driven, and self-managed peer-review process. Programs are solely responsible for implementing, demonstrating, and maintaining compliance with the EPAS during and in-between review cycles.

Please be in touch with Katie Gibson-Ledl, LLMSW-Macro, Accreditation Specialist in the Department of Social Work Accreditation, if there are any questions about this letter or the procedures and actions of the Commission on Accreditation.

Sincerely,

Deana F. Morrow, PhD, LICSW, ACSW
Chair, Commission on Accreditation
